

# We are Dorcas Moldova

Active in Moldova since 2003, we support communities that face poverty, social exclusion and climate pressure. We focus on Protection, Community Development, and Livelihoods and Food Security.

## Expertise

We apply community safety nets, asset-based community development, climate-smart agriculture, and integrated protection–livelihoods models.

## Strategic approach

Dorcas Moldova strengthens community resilience through locally led, evidence-based and long-term approaches. We collaborate with civil society, local authorities, businesses and national platforms to create systemic change.

**"For me, this project means more than help. It means I am not forgotten because someone, somewhere, thinks of me and reaches out a hand. All the gifts, visits and kind words have brought light into my soul. Now I experience joy and hope again."**

# Our track record 2020–2025

## Impact

Dorcas Moldova has reached an average of 15,791 people per year.

112 communities served

29 civil society organisations strengthened

Income 980 households increased

4,820 people supported through community safety nets

6,775 refugees from Ukraine assisted

## Results per theme

### Protection

Ukrainian Nadejda fled to Moldova with nothing. Through our refugee programme, support group, and empowerment training, she regained dignity and purpose and now helps others to heal.

### Community Development

After a Dorcas training, a parent in Pistruieni mobilised neighbours and local authorities to build a playground. The collective effort strengthened social bonds and improved children's well-being.

### Livelihoods and Food Security

Nicolae struggled to provide for his family. With Dorcas support, he now grows food year-round in his glasshouse, improving his income and contributing to local food security.

# Financial capacity and reliability

## Current scale (2026)

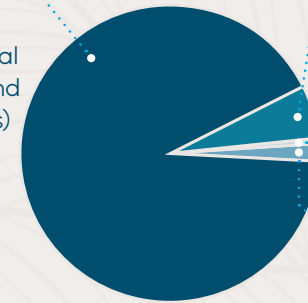

**Annual income (2026):** €1,032,865

**Largest project implemented:** Community Safety Nets Programme Moldova €435,432

### Donors

We work with a diverse group of donors to ensure financial stability and long-term impact.

€ 948,663  
Dorcas Aid International (Climate and other funds)

€ 60,000  
Kom over en Help

€ 5,000  
Private individuals

€ 19,202  
Other organisations

### Partners

We implement our projects together with other NGOs, government bodies, businesses and churches.

“Through our partnership with Dorcas Moldova, we moved from individual impact to a growing impact on the entire community by making good use of available resources.”

## Looking ahead (2026–2030)

By 2030, Dorcas Moldova will expand community-led models, strengthen local leadership, scale climate-smart livelihoods, and improve social and economic protection across southern and central regions.

# Join our vision for Moldova

As Country Director of Dorcas Moldova,  
I invite you to join us in building a more  
hopeful, resilient Moldova, where families,  
children, youth, and older people can thrive.

Your partnership can open opportunities,  
strengthen communities, and change lives with  
lasting impact. Together, we can realise our  
vision for Moldova.
